Author index

A

Ageno W.
What is the next step in D-dimer research? Education of physicians (2): 165

Agresti C.
Hypertension and reduced renal function in an 83-year-old patient (1): 40

Ahmad T.
The utility of head computed tomography in the emergency department evaluation of syncope (2): 148

Aikaterini T.
A case of acute abdomen for the internist (3): 252

Alatri A.
Reorganisation of an anticoagulation clinic using a telemedicine system: description of the model and preliminary results (1): 24

Auteri A.
Takayasus’s arteritis: a review of the literature (2): 105

B

Baffoni M.T.
Food poisoning by Datura stramonium: an unusual case report (1): 88

Bajwa R.
The utility of head computed tomography in the emergency department evaluation of syncope (2): 148

Balzola F.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Ban K.M.
Emergency medicine: welcome address (1): 52
A comparison between the efficacy of lectures given by emergency and non-emergency physicians in an international emergency medicine educational intervention (1): 67
Airway management: the sine qua non of emergency medicine (2): 137
Difficult airway management (2): 139
Airway forum (2): 151
Sepsis and its consequences (3): 221
A 46-year-old man with difficulty breathing and the sensation of choking (3): 234
Building a trauma center and system in Tuscany, Italy (4): 302
A 2.5-year-old child with a history of a foreign body aspiration (4): 305

Barcellona D.
Oral anticoagulant therapy and telemedicine (2): 166

Barkin A.Z.
Traumatic esophageal perforation (1): 72

Barkin R.
Building a trauma center and system in Tuscany, Italy (4): 302

Bartoloni A.
Considerations on the potential teratogenic effects of antiretroviral therapy (3): 249

Bauo F.
“Bridging” therapy in patients on long-term vitamin K antagonist treatment: a yet unsolved issue (2): 94

Bellati G.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Benetti G.P.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Berni G.
A comparison between the efficacy of lectures given by emergency and non-emergency physicians in an international emergency medicine educational intervention (1): 67

Berra C.
Changes in serum triglycerides and high-density lipoprotein concentration and composition after a low-fat mixed meal. Effects of gender and insulin resistance (4): 287

Berzigotti A.
Isolated hepatic tuberculoma after orthotopic liver transplantation: a case report (4): 314

Bianchi G.
Isolated hepatic tuberculoma after orthotopic liver transplantation: a case report (4): 314

Bilato C.
Positive stress test in a patient with patent coronary artery grafts (4): 296

Binetti N.
“Reversible” left bundle branch block in acute carbon monoxide poisoning (2): 172

Boari B.
Diffuse acute abdominal pain and palpation of the lower limb pulses: what kind of link? (3): 216

Boddi M.
Hypertension and reduced renal function in an 83-year-old patient (1): 40

Boffelli S.
Subintensive care unit for the elderly: a new model of care for critically ill frail elderly medical patients (3): 197

Bondi E.
Prognostic indexes of septic syndrome in the emergency department (3): 229

Borghi A.
Whipple’s disease in a father-son pair (3): 254

Borghi C.
Compliance with therapy in hypertensive patients (3): 175

Borazio M.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Bova G.
Takayasus’s arteritis: a review of the literature (2): 105
Bovolato F.E.
Positive stress test in a patient with patent coronary artery grafts (4): 296

Bramwell K.
Airway forum (2): 151
A 46-year-old man with difficulty breathing and the sensation of choking (3): 234
A 2.5-year-old child with a history of a foreign body aspiration (4): 305

Branchi A.
Changes in serum triglycerides and high-density lipoprotein concentration and composition after a low-fat mixed meal. Effects of gender and insulin resistance (4): 287

Bucciarelli P.
Psychological impact of thrombosis in the young (2): 119

Buzio C.
Calciphylaxis: evolving concepts (4): 320

C

Cangiotti C.
Food poisoning by Datura stramonium: an unusual case report (1): 88
Weight loss, articular pain and bone fractures: neoplastic disease or malabsorption syndrome? (4): 316

Cappellini M.D.
Changes in serum triglycerides and high-density lipoprotein concentration and composition after a low-fat mixed meal. Effects of gender and insulin resistance (4): 287

Carbone A.
Changes in erythropoiesis, iron metabolism and oxidative stress after half-marathon (1): 30

Carbone A.
Changes in erythropoiesis, iron metabolism and oxidative stress after half-marathon (1): 30

Carnovali E.
Syncope as a symptom of non-massive pulmonary embolism: a case report (2): 167

Cartei A.
Compliance with therapy in hypertensive patients (3): 204

Carulli N.
The faster the better? (2): 91

Cassinadri A.
Subintensive care unit for the elderly: a new model of care for critically ill frail elderly medical patients (3): 197

Cecchin A.
Recurrence of acute suppurative thyroiditis in a young man (1): 81

Celi A.
QT dispersion: time for a revival? (4): 262

Cencetti S.
Compliance with therapy in hypertensive patients (3): 204

Cioli S.
An unusual case of pulmonary hypertension in a young male (2): 127

Cirami C.
A young woman with oedema (3): 209

Clemente C.
Psychological impact of thrombosis in the young (2): 119

Colagrande S.
Recurrence of acute suppurative thyroiditis in a young man (1): 81

Colombo A.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Colombo E.
Changes in serum triglycerides and high-density lipoprotein concentration and composition after a low-fat mixed meal. Effects of gender and insulin resistance (4): 287

Contri M.
Whipple’s disease in a father-son pair (3): 254

Costantini S.
A case of transposition of the great arteries in a female infant of a HIV-1-infected woman. Potential teratogenic effects of antiretroviral drugs (1): 86

Costantino G.
Syncope as a symptom of non-massive pulmonary embolism: a case report (2): 167

Cozzi M.
Changes in erythropoiesis, iron metabolism and oxidative stress after half-marathon (1): 30

Croce G.
Daily dose of interferon alpha-2b and ribavirin in treatment-naive patients with chronic hepatitis C virus genotype 1 infection: a randomised controlled study (2): 113

Cucchi I.
Syncope as a symptom of non-massive pulmonary embolism: a case report (2): 167

Cucchini U.
Positive stress test in a patient with patent coronary artery grafts (4): 296

D

Da Ponte A.
Changes in erythropoiesis, iron metabolism and oxidative stress after half-marathon (1): 30

Dapporto S.
Isolated hepatic tuberculoma after orthotopic liver transplantation: a case report (4): 314

Davis D.
Airway forum (2): 151
A 46-year-old man with difficulty breathing and the sensation of choking (3): 234
A 2.5-year-old child with a history of a foreign body aspiration (4): 305

De Simone C.
Sarcoid relapse with isolated kidney involvement (2): 170

De Vecchi M.
Increased QT dispersion: a negative prognostic finding in chronic obstructive pulmonary disease (4): 279

Del Pace S.
Acute ischaemic stroke treated with combined intra-arterial thrombolysis and intravenous tirofiban despite oral anticoagulant therapy at an international normalised ratio $\geq 2.0$ (3): 250

Denti N.
Reorganisation of an anticoagulation clinic using a telemedicine system: description of the model and preliminary results (1): 24

Di Fronzo G.
Food poisoning by Datura stramonium: an unusual case report (1): 88
